## Commodore's Corner

I just wanted to take a few moments to reflect on our club as Commodore. I've seen a great effort by our members and Board to move the club in what I believe is the right direction. We, as an association, have worked diligently and tirelessly at cleaning our facility and property. Since the first of the year you may have noticed some changes. We have fenced the motor area, which is not intended to keep any members out, but to insure the area has a neat and orderly appearance. If you have not taken an opportunity to look inside, I hope you do. Not only are the motors and work area being cleaned up, but an area to store and protect club assets has been erected. Take a few minutes to walk the property. A few things you will no longer see are things such as old batteries and trash. You will also notice that our docks are cleaning up and most members have fulfilled their obligations regarding their boats.

We have all worked very hard at organizing and cleaning, and I cannot thank enough Jim, David, and Larry for all their hard work during the week when the rest of us are not at the club. I want to point out that firewood and trees do not cut themselves and debris does not throw itself away. If you get a chance be sure to thank these guys (A beer would most likely not be turned down). As the year progresses, we hope to continue to improve the property and its facilities.

The year has already started out with a bang. The club has already held a New Year's Eve party, Frost Bite/Chili Cook Off, multiple work parties, St. Patrick's Day party (Thanks Malone's), Opening Weekend Regattas, and the Great American Clean Up. In the near future we have

many more opportunities to participate. We have the Sailing for Heroes series starting up in April, the Richardson crawfish boil, the Spring Series races and let's not forget the C-22 regatta in May.

I have had the opportunity to learn from so many different members I could never name them all. I feel we represent sailors in the best light possible. We give, work, and play to the best of our abilities at the Lake Worth Sailing Club. I want you all to know that I am proud to stand among you.

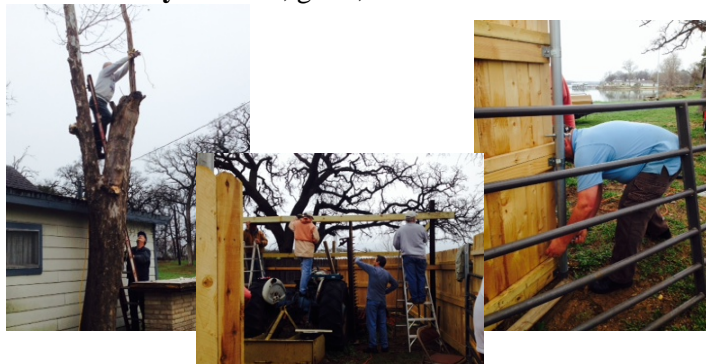

*Sail On...*  
Robert

## Recent Events:

The **St. Patty's Day** party was a blast, as always. Tommy and Patty Malone did an outstanding job converting our clubhouse to an Irish pub. Great food, friends and fun - that about sums it up!

## Work Party--- Trees, gates, shed and much more!

## OPENING WEEKEND

Opening weekend was a success! It began with the **Cowtown Cleanup** and we had 97 people, including club members, who participated at our site. The city hauled away 4 truck loads of trash.

The weather was perfect for sailing. Saturday was the Board Boat race and the Women's Auxiliary and was followed by a BBQ dinner and a bonfire, complete with smores.

Thank you all for coming and a special thanks to those of you who worked to make the event great!

## NOTE FROM THE RACE COMMITTEE:

## UPDATE

T-3 months and counting....we are well on our way to Sailing for St. Jude and it’s fast approaching.

There are several ways to help with this event:

Donations: We are looking for donations for our silent auction and raffle prizes. They can be handmade items as well. Please see Karen at [karen.richardson@sailingforstjude.org](mailto:karen.richardson@sailingforstjude.org) if you have anything you would like to donate for these events.

Volunteer: We will need volunteers to help with children’s activities, grounds, games, committee boats, silent auctions, gates, and many more areas. If you are interested in volunteering, please contact Karen at [karen.richardson@sailingforstjude.org](mailto:karen.richardson@sailingforstjude.org)

Employer donations: Do you have employers that would like to donate to St. Jude? If you have a company that is interested, please contact Robert at [robert.richardson@sailingforstjude.org](mailto:robert.richardson@sailingforstjude.org), and he can provide a donation letter if you need one.

Private Donations: Do you have friends or family that would like to donate? They can donate via our website at [www.sailingforstjude.org](http://www.sailingforstjude.org) (this option coming soon)

Compete: If you are sailing, ask your friends and family to sponsor you! This will help you in winning the “highest registration donation” category, or they can donate directly via our website at [www.sailingforstjude.org](http://www.sailingforstjude.org) (this option coming soon)
