Commodores Report

By Glenn Hardy

The New Year is here and the Board hopes you had a safe and happy holiday season. This year we want everyone to enjoy what LWSC has to offer; a friendly, safe and quiet place to get away from the hustle and bustle of our daily lives and enjoy the sport of sailing both racing and cruising.

This year the club is again going to host a Regatta. The Catalina 22 Region 8 Championship will be the last weekend of May, Friday-Sunday May 26-28. This is a major undertaking and will require lots of help from all the membership, If you want to volunteer contact Jim Holcomb. Planning for the regatta has already started, the first meeting will be on Sunday Jan 22 after the race.

Come out and go Sailing -We still have Water.

Vice Commodores Corner

By Gregg Brown

Hello Everyone

As my first duty I want to get all the boats in the water berthed in their correct slips, unless the water level gets to low. Slip assignments have been posted and I will contact you if you need to move your boat. Currently I am still trying to identify all of the trailers, if you have one at the club please come out and put a tag on it and let me know which one is yours. As I identify them they will be tagged with reflected numbers.

The docks are in pretty good shape, but several of the fingers are in need of repair. If yours is one get with me so we can repair it together.

Because of the continued rainless weather the lake level is down by over 2 feet, all the boats in the water are still safe FOR NOW. All who are in the water need to check on their boat and mooring lines. Mooring lines SHOULD NOT be tied to the posts, they need to be secured to FLOATING RINGS either foamed PVC or tires.

Race Committee News

By RC Larry Sallee

This year the racing schedule is divided into 5 series for the Auxiliary Fleet and 2 series for the Santana 20 Fleet. The Santana 20 Fleet will race 2 five-race series with no throw outs, all on the First Sunday of the Month. The Auxiliary Fleet will race 5 six-race series with 1 throw out, (Winter, Spring, Summer, Fall & Holiday). Currently racing for the Sunfish Fleet has not been determined.

The Winter Series will include the 2 races that took place in Nov and Dec plus 4 more races in Jan and Feb.

Date	Time	Race
01/15/2006	14:00	Winter Series #3
01/22/2006	14:00	Winter Series #4
02/05/2006	14:00	Santana 20 A #1
02/19/2006	14:00	Winter Series #5
02/26/2006	14:00	Winter Series #6

Race Committee Report

5 David Stokely	C-22	87.32
8 Tommy Malone	SJ-21	DNS
8 Carl Perry	Fun 23	DNS

Work Party Work Party

By Slave Driver

The South side of the Clubhouse has taken quite a beating this last year. Between the hot dry weather and the wind it now needs the siding replaced.

Saturday January 28 at 9 AM

Remove the trim and siding.
Remove the windows and door (not by Dave D)
Fix Studs
Put on OSB panels
Put on about 520 square feet of Hardie board

All hands on deck for this one

Buy Sell Trade

By Old Salty

If you have a boat for sale or you want to buy or trade send your ad to the secretary treasurer as well as posting it at the club.

Secretary Treasurer Report

By Jim Holcomb

Your first six months dues and a current roster went in the mail Jan 2 to beat the postal rate increase. What did not get in the mail was the reconciling of your individual accounts for 2005. When I get all the accounts reconciled I will contact those members individually, sorry for any confusion this may cause.

Currently I have email addresses for only 11 members. If we want to start to move our communication and notices to email there is going to have to be more interest than is currently displayed. You can contact me by phone, snail mail or email to express you ideas on more use of the Internet, jholcomb@iglide.net.
