
THE TILLER

Volume 71, Issue 2

Lake Worth Sailing Club Est. 1935

Jun 2006

July 4th July 4th July 4th

By The Entertainment Committee

Come join the celebration of the 4th of July, even though it is a Tuesday there will be a full day of fun and activities.

The club is providing hamburgers. Hot dogs and brats as well as baked beans and salads. Bring your favorite desert or just bring yourself and friends. Dinner will be from 5pm to 7pm

Then sail to the dam or sit on the beach and watch the fireworks of the cities and towns all around us.

The Commodores Race is at 2pm, come early and enjoy Tuesday July 4th.

New Wednesday Races

By Glenn Hardy

The Wednesday Santana Races started on June 21. The races start at 7pm with a dock start with the races around the permanent marks on the lake. There is a sign up sheet for the Santana 20's so that you can reserve a boat for the whole series. The races are not restricted to only Santana 20's, you can race any boat.

The results of the first race

- 1 S20 Spider
- 2 S20 T-Bone
- 3 C22 C-Legs

Catalina 22 Regatta

By Jim Holcomb

THANK YOU

THANK YOU

The regatta was a success because of all the members of the club who gave freely of their time and effort, you all really went the extra mile. All of the racers expressed their gratitude during the weekend and afterwards in cards and phone calls.

Special thanks to the Race Committee, it was a challenge with the high winds, 5 races were scheduled and 5 races were sailed. Thanks to Kevin Culver, Ron & Candy Bracy, Glenn Hardy, Carl Perry, Brian McMillan and Ted Gay.

Special thanks to the Food and Support Staff, the breakfasts and lunches were great and everyone who had a question or problem got help. Thanks to Cindy and Brian McMillan, Pat and Ted Gay, Marianne Peterson and Jim Hannon for all the food and beverages being just right. Thanks to Bill and Bette Mohr for handling registration.

Lastly a special thanks to Gregg Brown for all the work he did in the months before the regatta getting the club in working order and the grounds in shape. Additionally he was the harbormaster during the regatta and he and his helpers made sure everyone had a place to park their boats, trailers and cars.

Once again thanks to all for a job well done.

Jim Holcomb
Region 8 Vice Commodore
