## Commodores Corner

*By Brian McMillan*

AVAST! SAILORS!

I am penning this note to the members of Lake Worth Sailing Club to introduce myself as the commodore for 2007. For those of you that don't know me, my name is Brian McMillan, and for those of you that do, I offer my sincere condolences, On the day of the elections, I tried to be clear about one thing. A lot can be done this year, but it will take a genuine interest from the members to accomplish anything, There is a wealth of experience among us, and I would ask that every member in this club to be involved as much as possible. The members that choose to be unheard and unseen should probably stay that way, but that is not up to me, everybody has the same choice.

I congratulate everybody on the board last year. The grounds have never looked better (since I've been a member), and we had a great regatta!! Good job!!

There are several projects on the agenda for the upcoming year, I am hoping to get enough participation to help our vice commodore to achieve a few of them before the next regatta. This year is going to be filled with great sailing, great food, and many great times. I can personally guarantee that much, but if we choose to accomplish anything, I will need the help of those that want to give it. If not, I'll just do everything my way!! Trust me, none of us want that!! My e-mail is [2cindy@sbcglobal.net](mailto:2cindy@sbcglobal.net), this way all complaints can be done online. That will free me up to have fun down at our club!!

May your boat stay dry and your whistle stay wet!  
Brian

## Race Committee Report

*By Ted Gay*

It will be a great year for racing. Winter, Spring, Summer, Fall, and Holiday Series will be 5 races, no throw outs, with Silver and Gold Fleets (to encourage more participation we would like to have series signups and assign skippers to fleets; winner of a Silver series has to move up to Gold; last place in a Gold can opt to move to Silver).

Santana 20 races will be held each month (generally 1<sup>st</sup> Sunday), will be 6 race A and B series, and one throw out.

Wednesday Night Bridge and Back April – September, no handicaps.

Full Moon Sails Saturdays May – September. Opening Weekend April 14/15.

Catalina 22 Region 8 Championship Regatta Memorial Day Weekend.

Commodores Cup July 4<sup>th</sup>.

Grubbs Cup and Shrimp Boil Labor Day Weekend  
Becker Series (Catalina 22s) September 16 – 30.

Please call me in January to sign up for two committee boat assignments. Those who sign up will get treats. After January, the Race Committee will make assignments and it will be the member's responsibility to work the assigned race or arrange a replacement.

Thanks to everyone for helping.  
I am looking forward to a great year.
