## From The Commodore

By Gary Noyes

Summer's here. The water's warm. The wife just bought a new boat. Full-moon sailing season has started. All is well with my world.

It's been a while since we've sent The Tiller out to ya'll. That's ok, because I got a chance to visit with most of you after the game warden came and tagged about a third of your boats for expired TX registration. By now most of you've fixed that minor problem; the rest must like to pay fines. Kudos to **Kevin Culver** for jumping through the hoops with the Fort Worth Boat Club and Texas Parks and Wildlife to get our Santana 20 fleet registered.

Opening Weekend was celebrated a month early this year. Please let the race committee chairman **Glen Brandon**, or any other board member, know your impression of the early start. The water was a bit colder for the board boats, but other than that, I think it worked fine.

### 4<sup>th</sup> of July

This summer: Lots and Lots of fun stuff is planned. July 4<sup>th</sup> weekend has the Commodore's Cup and a board-boat fun-race on Friday, the Dam Race on Saturday, and the regular 1<sup>st</sup> Sunday Santana Race on Sunday. Bring the kids out the 4<sup>th</sup> for the normal kid and family fun. **KC** is serving his famous BBQ for dinner!

Just remember that the new AC system in the clubhouse works better with the windows open.

See ya' on the water.  
Gary

## Full Moon Sailing!

### Clean Up

*By Board of Governors*

This is directed only to those that this applies to:

#### **PICK UP AFTER YOURSELF!**

The Club has been resembling a trash pile lately because some people have not cleaned up after themselves. Your mother is not going to come out to the Club to clean up your mess; It is YOUR responsibility as a Club member to pick up your own trash. The members who have been cleaning up after you are tired of doing it.

### Missing Beverages

*By Board of Governors*

This is directed only to those that this applies to:

#### **PAY FOR YOUR BEVERAGES!**

If you haven't noticed we have had to install locks on the drink box to stop the perpetual removing of drinks without paying. Sorry about this, since a few offenders have necessitated this policy which will ruin one of the nice things about the club for the majority non-offenders. The beverage box will be opened during the weekends. Please pay for your beverage or drop in an IOU into the box when you take it. Little choice was left to us. For every \$80 of club money deposited in the box, only \$30 was returned.

### Return Borrowed Club Stuff

*By Board of Governors*

This is directed only to those that this applies to:

#### **RETURN CLUB PROPERTY!**

The Club provisions the property. The provisions disappear remarkably quickly. You name it its missing: beer, gas cans, pots, pans, trash bags, beer..... If you have any club property, return it. It belongs to the club.

The full moon sailing season has begun. This is the extremely relaxing cruising sensation that's sweeping the lake. This is an opportunity to get your spouse back on the water, just like when you were dating. Bring your favorite sweetie, munchies, snacks, and refreshments. Just listen to these testimonials from last year.

"Want some of mine?" **Pamela Noyes**, referring to her jug of wine.

"Here, have another." **Brian Peterson**

"Who's got the popcorn? I smell popcorn." **Gary Noyes**

"I just love the bare toes when them full-mooners take a dip in my pond"  
**Lake Worth Monster**

"Wow! Seven boats rafted up and only one anchor!" **Jim Holcomb**
