LWSC Sends 2 Boats on Florida Cruise

Jon and Len Schwake and Gordon Kayser and Dean Hill participated in the 2010 Catalina 22 National Association North Gulf Coast Cruise. Jon and Len took their boat THIS SIDE UP. Gordon and Dean took Gordon's boat FLASH. It was Jon and Len's second NGCC. Gordon and Dean were first timers. Both boats left our club together at 4:30 a.m. on May 6. We arrived at Fort Walton Yacht Club after about 15 hours on the road. Friday, May 7, both boats were prepared and provisioned for the weeklong cruise. We also ate well and enjoyed the Fort Walton Beach, Destin, and Navarre Beach area.

Saturday, around 8:30 a.m. we left FWYC with 20 other boats bound for Spectre Island. It was a fast and easy 4 hour run down the Florida ICW with 15 knot winds at our back. On day 2, we sailed to the marina at Pensacola Beach. Showers, shopping, swimming, and restaurants were the order of this stop. We were hosted by the Pensacola Beach Yacht Club. Day 3 was a sail to a place called Big Lagoon. A perfect anchorage, a nice campfire, warm waters, bright stars, and good companions

made this a special stop. On day 4, we sailed past Orange Beach, Alabama to Bear Point Marina. They have a good restaurant and showers. Some folks sailed across the bay to Pirates Cove for food, spirits, and sailor camaraderie. On day 5, we sailed back to Big Lagoon. On day 6 we sailed back to Pensacola Beach. On Saturday, May 15, we arrived back at Fort Walton Yacht Club. We had a lot to talk about on the way home. Another of our club members, Waylan Gillihan (LADY IN RED) has made this cruise numerous times. Thanks Waylan for letting me use your charts. I have kept them safe. Your cruising friends pass on their best.

Sailing Merit Badge Class at LWSC

Sailing class offered on Sat. July 17 for the Boy Scout Sailing Merit Badge. We had eight to attend. A second class will be held August 21. Thanks to Gordon Kayser for spearheading this great project and community involvement. Also a big thanks to the instruction crew, Ellen, Bob, Brad and many more for their support.
