

THE TILLER

Volume 78, Issue 5

Lake Worth Sailing Club Est. 1935

April 2013

Commodore's Corner

We have had the fortune to press gang several new members since the year started. Many of them seem ready to keel over with Sailing Fever! They haven't a clew. Try to remember this advice from those of us who have recurring chronic symptoms of this condition. That sailing isn't always endless days of glorious cruising across placid waters without a care in the world. Some days you just have to put duct tape on your sailing gloves and wear a ridiculous hat just to keep warm.

For Bill Heirendt
Commodore

Cowtown Great American Cleanup

This is going to be next Saturday! The 28th annual Cowtown Great American Cleanup will be on April 6, 2013 from 8:30 a.m. - 11:30 a.m.

It is sponsored by the city of Fort Worth. We will have 2 cleanup teams from our club. One will partner with the Lake Worth Boat and Ski Club to clean up Goat Island. One team will pick up debris in the 3

city parks along Watercress Drive.

The Lake Worth Sailing Club has taken a leadership role in this endeavor in this event. It is another way we can give back something to our beautiful lake. This year may be joined by some of our neighbors.

Mary and Gordon Kayser will be responsible for picking up supplies and forms.

Opening Weekend

The annual Club celebration of the return of decent sailing weather will be held this year on April 20 and 21, 2013. The Opening Weekend usually has Men's

and Women's Sunfish Races and Auxiliary Races. There is a standing trophy for these races.

Food will be pot luck and Club Sponsored Hamburgers and Hot Dogs.

Coming Soon

More Spring Series Races

Sunday, April 7, 2013 • 2pm

Join us for a fine day of sailing during the makeup day of the Spring Series. We missed one due to inclement weather and this one will make up for that.

The next scheduled one in the series is Sunday, April 28, 2013 • 2pm. Five races are scheduled during March, April and May.

Region 8 Championship Regatta

Saturday, May 25, and Sunday, May 26, 2013

There will be a lot of work to do before and during the Regatta. Please everyone contribute to the work effort to make this thing run smooth. Get with Bill Heirendt for specific job assignments.

We hold this Regatta at our club so that our members can be in a Regional Championship without having to trailer their boat off lake. In order to race you must be a member of the National Catalina 22 Class Association. Get with Jim Holcomb for membership forms.

Club Web Site

I wanted to let you know that the new website is now online at www.lakeworthsailingclub.com or www.lakeworthsailingclub.org.

Roy Hinrichs, LWSC Webmaster

Send in your articles

If you don't send in articles, I'll be forced to write jokes just to fill up the page.

Did you hear the one about Flippy and Dufus? No! OK. There were these two guys named Flippy and Dufus. Now which one would you think liked dolphins more?

You might think Flippy, but you'd be wrong. It's Dufus!
