Commodore's Corner

We are holding the next Annual Region 8 Championship Regatta at our club this month. We still need everyone to pitch in and finish preparations and then everyone to volunteer for the various jobs required during the event. The only way you can get out of this is by being one of the racers or one of the crew members.

We will hold a Full Moon party after registration on Friday night May 24. Refreshments and snacks while they last and everyone turn in early to be ready to go the next morning. Regatta Tee shirts and hats are on sale as always.

Work Party Accolades

This is just a quick note to say thanks to everyone that came out and helped at our work party last weekend. It was a resounding success!

We had between 16 and 20 people show up. With the flurry of activity it was hard to get an accurate count. All items on the list were accomplished and for the most part we were all finished before 1:00 p.m. Time to relax and enjoy a sail and a few good stories.

Thanks again Andy Bahr Vice Commodore

Opening Weekend

The annual weekend event was held this year on April 20 and 21, 2013. A very windy first day but we still got off a Sunfish Race. Brad Pippi won first place with Aaron Brandt in second.

The Women's Auxiliary Race got off the next day under calming conditions. Marianne won first place on Bill's C-25. Second went to Kim Hudspeth a minute and a half back on Phil's C-25. I was too busy to remember my camera that day, sorry, next time for sure.

The Men's Auxiliary Race went to Glen Brandon on Andale with Dusten as crew.

Thanks to all those that helped with food especially Patty Malone.

Women's Racing Series

Marianne has proposed that we have one race a month with the Women in the group as skippers. Then to make it fair, they draw lots to see which boats among the volunteers they get to helm. Then to make it even more fair some ladies could reserve a boat (using arm twisting) so that they don't have to trust to luck during the draw. Isn't arm twisting a part of racing?

Larry and Bill will work on a new schedule with this series in it.

Coming Soon

More Spring Series Races

Sunday, May 5, 2013 • 2pm

Join us for a fine day of sailing during the makeup day of the Spring Series. We missed another one due to inclement weather and this one will make up for that. If we don't have a makeup day, we could have a Ladies Race.

The last scheduled one in the Spring Series is Sunday, May 19, 2013 • 2pm.

Region 8 Championship Regatta

Saturday, May 25, and Sunday, May 26, 2013

We hold this Regatta at our club so that our members can be in a Regional Championship without having to trailer their boat off lake.
