Lots of work went into this regatta and I want to thank Roy and Richard for helping on the Race Committee duties.

Thanks to Patty and Karen and Marianne for all the work on the food and cleanup. Thanks to everyone for contributing when we needed help.

Did you watch the rain squall come through on Saturday? It looked like the west side got hit hardest. Most of the racers dropped their genoa during the rain and put it back up after the initial gust front. The starts were very crowded and very early. Two races had general recalls due to excessive exuberance.

On this one the start was still 20 seconds away.

We will have the Regionals again next year at our club on Memorial Day weekend. Bill Heirendt will be the official organizer.
