Lake Worth Sailing Club Est. 1935

October 2013

Commodore's Corner

Summer is setting on Lake Worth Sailing Club, but we did our best to make it a Summer to remember. We just finished our second series for the Wounded Heroes Sailing course, where we had 20 plus veterans and about the same number of members lending a hand. A big thanks to all that helped and took part in the course and a special thanks to Roy for putting it all together.

As we move into fall we have a few more things planned,

1st, on October 26th at 7pm till ? is the Commodore's party. This year's theme is a Toga Party, come out and celebrate the year that we have had, a good time should be had. BYOB

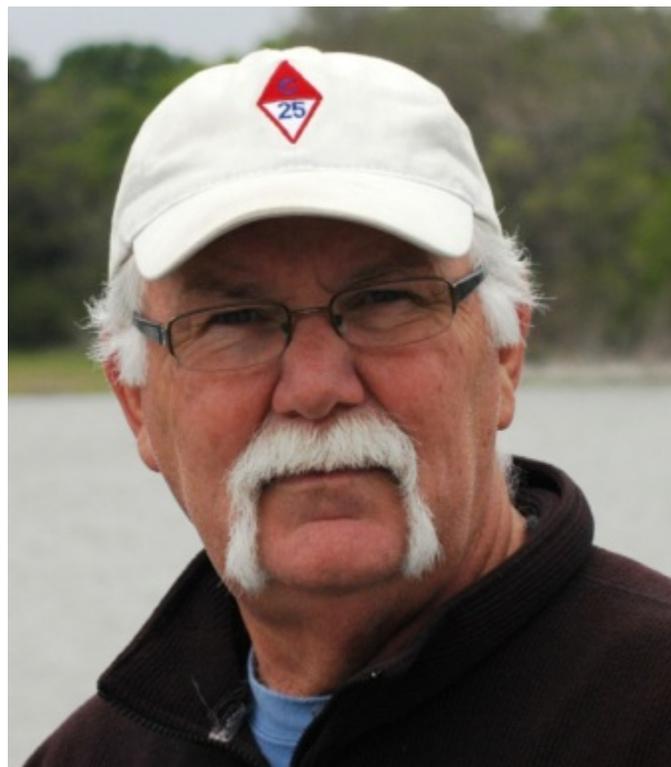

2nd, on Sunday October 27th, at 2pm is the Annual Board Elections, we will need all club members to be at the club to have your say in how your club is managed in 2014.

3rd, Saturday night December 7th at 7pm we will have our Awards Party, location TBD,

4th, The Parade of Lights will be Saturday evening the 14th of December. Decorate your boat and be ready to leave the dock at 5:30. We will return to the club and have a night cap or two.

I want to Thank my fellow Board members for all their hard work this year and also Thank the membership of Lake Worth Sailing Club for another GREAT year. Fair Winds_)

Dredge Work

The Great Lakes Dredging Company has completed the work they were scheduled to do around the club peninsula. The shallow area is now cleared to six feet deep from the Light House to the East Dock Slips.

Osprey Spotted

A pair of these have been spotted several times around the club house. I finally got a photo of one flying around with a fish.

Club Web Site

The website now has Hero pictures. The club has a new, shorter URL to type in when you want to go to our website. The old one, www.lakeworthsailingclub.com will continue to work, however you can also get there at www.lwsc.net

Roy Hinrichs, LWSC Webmaster

Note from Roy: I wanted to share with you a comment from the Ft. Worth VA (Donna) about the positive feedback she is receiving from our wounded veterans participating in this program. I would personally like to thank our board for approving this excellent program and our members for providing their personal time and boats, working with these veterans, to make this event a huge success. I would also like to express my sincere thanks to Larry and David for their help (and patience) teaching and providing their experience and expertise throughout the course. Finally, I would like to thank our Ladies of the LWSC for their hard work in making sure that everyone participating in this event were fed. Everyone worked together and outside of a few challenges, a good time was had by all. I encouraged our graduating Vets to come back and sail with us again.....anytime.
