

THE TILLER

Lake Worth Sailing Club, Est. 1935
August, 2018

From the Vice-Commodre

Thank you so much to Patty Malone for feeding lunch to the August 18 work party. She brought white and wheat bread sandwiches, chips, potato salad, brownies, peach cobbler, ice cream, sweet and unsweet tea, and cold water. All homemade with a loving heart for our members. It was a treat.

Thank you Lynn Wunderlich, Howard Webb, Jack Adkisson, Kevin Culver, Glenn Brandon, Andy Bahr, Mary Kayser, David Stokely, Craig Morgan, and Larry Sallee for their efforts at the work party. A lot of cleaning was done in and around the clubhouse, the board boat area was mowed, weedeated, and picked up, the docks were worked on, and much of the lawn was mowed.

Thanks to Larry Sallee for working during the week fighting weeds and picking up. There is still a lot to do to get our club ready for Labor Day, the Sunfish Regatta, Grubbs Cup races, and much more. There is a list on the whiteboard.

If you are missing child's toys, life jackets, clothing, towels, etc. They are in the party shed. Sun glasses, cell phones,

and such are on the mantle above the fireplace. They will only be there until Sunday. If not taken home, they will be thrown away. The office, clubhouse, kitchen, bathrooms, and porch are not places to store your personal stuff for the summer. When you leave take it with you or store it on your boat. After Sunday, if you are not at the club and your stuff is, it may be discarded. Sorry I have to do this, but things have really gotten out of hand. Thank you for your understanding.

To all who are having health concerns please know that your LWSC family cares and wishes you well. Our latest is Pam Noyes. She had foot surgery on Monday, August 12. Mobility is a challenge for her for a while. We wish her to heal quickly and completely.

Labor Day Weekend will have some new family-oriented games on Saturday. Our traditional Shrimp Boil will be Saturday night. Come on out and enjoy a great day at your club.

Best wishes to everyone,

Gordon Kayser 817-586-8610

Goatman's Regatta

The annual sunfish and now centerboard regatta, *Goatman's Regatta* will be held Sept 7-9 and we're looking for volunteers for all positions, including registration, parking, photographer, then on the water, we'll need mark boats, safety, etc.

We are also asking that members bring a small dish to share for a potluck style meal. Any questions can be directed to regatta.lwsc@gmail.com.

Thank you,
Candy

Tony Stokely joins the ranks of wooden boat owners with the purchase of this 1954 Thompson Cartopper.

Just another Thursday at LWSC

New member Craig Morgan (on trailer) was told he could get help rigging and launching his 1965 Pearson Ariel. Craig has done an outstanding job of restoring this beautiful full keel cruising boat designed by Carl Alberg. The boat arrived at the club on a big flat bed trailer and club members pitched in to help.

After using up almost all the chain on the hoists, the boat was raised high enough to pull the flat bed out and was transferred to a Catalina 25 trailer loaned by Ted Hubble. The trailer groaned a bit under the extra weight but held up well.

Next order of business was stepping the mast. With the help of our "yard arm" and lots of volunteers, the mast went into place and internal wiring, stays and shrouds were attached.

Using Glen Brandon's truck, the Ariel was carefully moved into position on the boat ramp and eased into Lake Worth.

Happy owner fired up trolling motor (in jazzy motorwell) and headed for his new slip on the east dock.

As you've noticed, the *TILLER* is a work in progress. We try to publish right after the board meeting each month but editor Hal and wife Pat were cruising in the Baltic last week so this issue is a bit late. Photo above was shot in Germany as a Russian ship interrupts the local dingey regatta.
