## Commodore's Corner

Happy Summer

The Board is working hard to bring a better way to communicate with all our members, but we need your help. We have switched our web-site to Wild-Apricot, with this switch we have a mobile app that is really cool. We need your help by logging in and changing your password.

Help us welcome the Berry's to the club by saying hi and introducing yourself.

Come out and enjoy your club.

*Lake Worth Sailing Club hosted Catalina 22 Regional Regatta on Memorial Day weekend. Weather and racing were hot. Results and list of volunteers should be posted on new website.*

## From the Vice-Commodore

I am sorry I was out of town for the May 19 work party. Thanks to all who did such a great job. The club looked great for our annual Catalina 22 Genoa regatta.

The new paint on our new fence and our out buildings were especially impressive. The American flags on the fence posts showed off our patriotism for the Memorial holiday.

Best wishes to Bill Heirendt, Larry Sallee, and Gary Noyes. They are representing our club at the 2018 Catalina 22 National Championships in Grasse Valley, California. Sail fast and come home safe.

We did not have a quorum for the June 6 board meeting. It was rescheduled to Sunday, June 10 at 1:00. Races at 2:00.

See you at your Club,

Gordon

## Race Corner

Just a friendly reminder, we have new website! There are both Member and Non-member portals, please take a look!

We have the club schedule thru January, adding social committee events, race results. You can even download the reimbursement form if needed, take a look around, stay awhile.

“If there’s folks that want to race, we’ll set a course, whether it’s scheduled or not”

Thanks,  
Aaron

*One of the best things about our club is the way the members step up and use their skills and talents to get the chores done. Howard Webb and David Pilgrim have completed repairs to the big tractor and put it back to work. Thanks, guys.*

*That cloud of blue smoke is from Andy Bahr’s recently purchased bronze cannon. He and Kevin Culver are test firing it from the picnic table. The black powder cannon will be mounted on the committee boat and used to start and finish races just like the big boys do at America’s Cup etc.*

Bill Heirendt has the list of owners and details for most of these boats.

**Operation Trailer Trash** is moving along. The owner's initials have been painted on almost all the trailers on club property. At the work party a crew relocated most of the trailers in the parking lots, cleaned up the brush and mowed the weeds. It looked great for the recent regatta and should make it easier for trailer owners to keep their parking spots tidy.

Some trailer owners still need to mow the weeds and grass. Remember it's **YOUR** responsibility, not the club's.
