

THE TILLER

Lake Worth Sailing Club, Est. 1935
March, 2018

The new club entrance features a three rail wood fence and gravel driveway and turnaround. The electric gate has been relocated and plans are underway for paint, signage and landscaping.

Commodore's Corner

Already 2 months of 2018 are in the books. We have had a lot of activity around our club so far. Great turnout for the Frostbite Race and Chili Cook-off with 12 boats on the water and 18 crock pots of chili entered in the cook off.

Thanks to our Hospitality Committee for hosting this and our Great Valentine's Dinner, a fun time was had for those that braved the cold.

We have finished off our entrance driveway with gravel that now extends to the clubhouse as well as the new turnaround. A big thanks to Kevin Culver and Ace Concrete for their assistance in this project.

When you venture to the club there are many new faces as we have 11 new members as of January 1. Please welcome Mike Pilgrim, Howard Webb, David Wolford, Quentin McGowan, David Marsh, Jerry Davis, Herb Anderson, Jeff Owen, Peggy Dietz, David Tyler and Craig Morgan.

With this issue of *The Tiller* we have a new editor. Hal Normand is planning for a monthly online publication and will be asking for input from club members. If you take a trip or go sailing please share with us, we all like to hear of your adventures or misadventures whichever the case may be.

We are also keeping the Facebook Page updated weekly so you will have a couple ways to access club information and keep in the know about your club.

March looks to be a busy month with Sunday racing and a couple of social activities scheduled.

We are moving the Board Meeting to Sunday March 11
The time is still 1 p.m.

Come out and enjoy your club.

Fair Winds,

Bill _) _) _)

Message from the Vice-Commodore

The February work party on Saturday, February 3 was a big success. Thanks for the great turnout. We had crews finishing the chain link fence, putting up walls on the clubhouse patio, repairing the clubhouse floor, cleaning the clubhouse, treating the lawn for stickers and weeds, preparing the grills for the Valentine's dinner, and doing maintenance on the docks. About 25 members did the work on a cold day.

34 members braved a cold night and enjoyed a wonderful Valentine's dinner. Our men showed their love for their sweeties by cooking the entrees on the grills. Mike Butler reigned as chef supreme with close competition from Andy Katz, Andy Bahr, Gary Noyes, and myself. Mary Kayser put this together with the idea that the club would help the men show our ladies how much we love them, and there was no charge this year for the dinner!

As usual our "Party Girls" did a fantastic job preparing and decorating the clubhouse, serving the dinners, and cleaning up afterwards. They made this dinner and our lives a success. Thanks to Patty Malone who made all our desserts. They were delicious.

I have new club burgees and remote gate openers for sale for \$25 each.

Please text or email me or see me in person if you want a slip, want to change slips, if your contact information changes, or if your property on premise situation changes. I hope you enjoyed LWSC in February. We have a great schedule of events for 2018. Get the schedule and plan to have some fun this year.

Gordon Kayser

New chain link fence will help keep boats and boat trailers secure.

LWSC Treasury

In January of 2018, LWSC switched to digital statements that are emailed by the Treasurer. The club has also moved to a digital invoicing system, and has started collecting dues and other payments via credit card.

The preferred payment process is the use of an e-checks through the QuickBooks invoice that is emailed monthly. Traditional checks are always welcome. Credit card payments and the use of PayPal are also available.

The Treasurer, in consultation with the rest of the LWSC Board, is developing an accounting manual that will document the various policies and procedures utilized to safeguard and efficiently manage the club's finances. The manual will also provide a blueprint for future Treasurers in the event of sudden office vacancy or natural office transition.

If you have not received emailed statements or invoices from lwsc76135@gmail.com, please notify Dustin at your earliest convenience.

As always, feel free to contact Dustin with questions or concerns.

Fair Winds,

Dustin Phillips, Treasurer

Hunter 26. \$4,500

C-22. New Motor \$4,000

C-22 and motor \$2500

C-22 with trailer. \$1250

Coronado. with trailer. \$1,000

Bill Heirendt has the list of owners and details for most boats.

Above is what is known as a "filler". It is here to fill up an empty space. Next month one of **your** Sailing Club related photos could be here!

Race report

Fun day of Spring Series racing on Sunday, Feb 25th with six Cat 22's battling it out. Pat Hollabaugh won the first race with Kevin Williams 2nd and Bill Heirendt 3rd.

The second race was also close with Kevin taking 1st, Bill 2nd and Pat 3rd. Gary Noyes finished 4th and Ted Hubble 5th in both races.
