

# THE TILLER

Lake Worth Sailing Club, Est. 1935  
March, 2019

---

## Commodore's Corner

Please welcome James & Denise Scalin to the club. They brought their Hunter 25 out yesterday afternoon. Also, would like to mention that we have voted David Dillingham in as an associate member. He has Moved to Chicago with his family.

We found out last week we have lost Robert Zucco, he will be missed. Please think of him and his family during this difficult time. This being said, we have several members who are advancing in years. Some are quite stubborn. Please, when you see these members struggling or performing a physically difficult task, take the time to help them out. We're one big family out here!

We counted our new member ballots yesterday and only 38 people returned their ballots. If you're not getting your ballots please contact the commodore. We now have several openings so we need to invite more sailing folks out to join our wonderful club.

All in all, it's been a great year so far. I'm looking forward to enjoying the club with all our members and friends. We're hoping to have more participation as the weather warms up. We have a great year planned!

A couple of club reminders.

We hold board meetings to provide information to our club members. If you have a conversation that you need to complete, please take it outside. This way, members who do want to hear are able to. Thank you.

Remember, your board members are your representatives to the club. If you have any issues, concerns or questions, please engage us. We are here for you.

We are planning to change the automatic gate codes at the club. During this time, we will also be servicing locks to make sure they're in good working order. The code will be changed in May. We're telling you now in hopes of getting the information out to everyone.

Oncor will be coming out to LWSC to trim our trees in the next two weeks. Please do not park your vehicles under the

power lines overnight during this time.

**Designated Event Areas:** The interior of the clubhouse is a non-smoking area. During club sponsored events, smoking will not be allowed in the clubhouse, or on the covered porch. During colder days, the covered patio can be used as long as there are no scheduled parties at the club. Please use common sense and watch the wind direction. Be considerate of others and their potential health issues. Don't forget to pick up your butts. Thank you.

**Disposal of property and waste:** We do not dispose of noxious chemicals, solvents or fuels at the club, please dispose of materials properly offsite.

Any club-owned property needs to be checked out\signed off before it leaves the grounds in order for tracking\or signing off for destruction.

Thank you, hope to see you at the club soon

## Vice-Commodore's Report

Your efforts keeping the club facilities clean and repaired help us keep our membership costs affordable. The February work party was a great success. For all of the details, see the e-mail sent out by your Commodore. Mike Butler's Tarzan act cleaning the cobwebs out of the clubhouse rafters is certainly the most obvious. The less visible effort in the mower area was phenomenal.

March's work party schedule includes spring cleaning of the grounds, finishing the mower shed, flower gardens, and paint, paint, paint, and more paint. That event is scheduled for Saturday 23 March 2019 which is one week after the St. Patrick's Party.

I'm still hoping that people will tag their outboards that are stored in the mower area. There are about 20 of the rascals that have been parked on posts for years.

Clean up Roster: Here's a quick look at the next several weeks. There is a copy of the full year posted on the club bulletin board and web site. Two members are listed for each week so most of us make the list twice a year.

Week of	Member	Member
3-Mar-2019	Kayser, Gordon	Adkisson, Jack
10-Mar-2019	Keathley, Bryan	Anderson, Herb
17-Mar-2019	Keoughan, Marty	Badovinac, Brandon
24-Mar-2019	Kithas, Nick	Bahr, Andrew
31-Mar-2019	LaBorde, Steve	Barrows, Peter
7-Apr-2019	Lambeth, Mark	Berry, Jerri
14-Apr-2019	Ludden, Dan	Bodycomb, Rosser
21-Apr-2019	Malone, Patty	Bracy, Ron
28-Apr-2019	Marten, Gene	Brandon, Glenn

*Gary Noyes, Vice-Commodore*

*Social Committee did it again in February with Valentine's Dinner and Mardi Gras party. Photos show Fat Thursday revelers enjoying delicious Cajun food and hurricane punch. Richard and Peggy Kane provided karaoke crazyness.*

Cheryl Springer took these great photos of the last of the Winter Series Races. More coming, rig up your Cat 22's and join the fun!

## Julia finds unidentified stuff in sail shed

Here is a list of items I have come across in the sail/spar shed so far that don't carry any owner's identification. If you recognize any of these items as being yours, or if you know the owner's name, please contact me via email at [80sailorgrl@gmail.com](mailto:80sailorgrl@gmail.com) or text me at 214.597.7981 to let me know. I will make sure your name gets on the items and they will be stored in an appropriate location. If a member chooses to remove or relocate any items, I would appreciate notification to maintain the inventory accurately. Also, since things are being moved and will be relabeled in different locations, it may be difficult for some members to locate their items currently.

### This is this month's list:

- metal stand
- bag of lines (multiple/multiple colors. May have been multiple merged)
- orange adult super large life jacket
- blue/black ski life jacket
- green/white canopy and mat
- white handled winch handle
- silver tarp
- misc. metal pieces
- slim white fenders with sticker (2)
- bow launch spin bag "SU" red/blue
- blue sail bag containing a white foresail "12540" with red sheets attached
- empty yellow C22 job bag "9068"
- Quantum main sail bag "Karl Browder Cal 20 cruise 71311 may 11, 2012" written on it
- Blue "Skelley" boat cover "Hogan" written on it.
- clear/blue dry bag with lines and ties
- ski tow ropes (2)
- plastic grocery baskets (2)
- Dager main sail "1016", Vector manufacturer. yellow/white/blue/orange
- blue/purple/avocado sunfish sail
- yellow sail bag "C25 4071 150 Genoa" containing white foresail with green sunbrella, rolling furler
- green sail bag containing white jib "Ratsey & Lapthorn" manufacturer, with black/blue sheets
- white foresail, "Flower Sails" manufacturer
- red sail bag "Bucc 220 Main" containing white main "B" 10198, with hanks
- white C22 headsail "673" Vestor sails manufacturer
- yellow sail bag "Bucc 22 jib 100%, Cat 22 jib storm", containing white foresail
- sliders (3)
- table piece
- blue sail bag "C15 US 1271", containing main "US 1271" C15

Thanks, Julia Wayland

## 1985 Catalina 22 for sale.

Susie Harrison has lowered the price of her Catalina 22 to get her ready for a warmer weather buyer. The boat is moored in the second slip past the committee barge on the west dock, TX 1075DX.

The biggest maintenance right now is that she's due for a fresh bottom job. Let me update what she does have:

Swing keel, fixed rudder, pop-up top (with canvas snap on cover), original main and regular jib. Propane pull-out stove, mainsheet and hardware stored in cabin.

Motor is brand new Tohatsu 3.5 HP (never broken in) and was mounted on plastic motor mount board in 2016. The boat was pulled out and bottom power washed in 2016.

Sail, motor and tiller covers. Life lines and pulpits, swim ladder. No trailer.

Continous maintenance on boat until late 2016-17: washed, cleaned and oiled teak etc. She's sound and never been in any collisions or wrecks.

She needs a thorough clean up but basically, besides the bottom job, is in good shape. I hope someone will buy and enjoy it as much as I have since 1991.

Has been listed at \$5200, will sell today for \$3000.

Contact Bill Heirendt or Susie K. Harrison (sailartist@aol.com).

## 2019 Board of Governors and club officials

Commodore, Aaron Brandt, 360-201-7674

## Contribute to *THE TILLER*

Please send appropriate submissions via e-mail to editor Hal Normand at: [shadetreestudio@sbcglobal.net](mailto:shadetreestudio@sbcglobal.net) Attach text files, photos, classified ad copy, whatever for inclusion in the next edition. Deadline is the third day after board meeting.

The long-awaited LWSC bird house is open for business. Forest Calhoun chaired the construction committee. Gary and Larry are shown attaching the halyard before hoisting it into position. The plan is to have purple martins move in and eat mass quantities of mosquitos.
